My Favorite Place in Nature is

What's your favorite place in nature? Draw it here!

Why is it important to protect the natural world?

- 1.
- 2.
- 3.

Folding Instructions:

1. Print out the document
2. Fold in half
3. Cut a slit along the folded line in the middle, about 2 inches long
4. Fold the sheet into 8ths, so each picture has its own page
5. Push the booklet together so it looks like an "X" in the middle where the slit is, then crease the folds well (the "Looking for a place to explore" page should be the last one)
6. Enjoy your little booklet!
